Hays County GOP Celebrates America's 250th Birthday with Independence Day Events Across Hays County

HAYS COUNTY, Texas - The Hays County GOP proudly joined residents, candidates, volunteers and families across the county in celebrating America's 250th birthday with a strong presence at Independence Day events on July 3.

The party had excellent attendance at its float in the Wimberley Independence Day Parade, where local Republicans gathered alongside several candidates and community leaders, including Mark Teixeira. Volunteers and supporters helped represent the party's message of faith, family, freedom and gratitude as the community came together to honor the birth of the United States.

Later that evening, the Hays County GOP also took part in Representative Carrie Isaac's Fire in the Sky event in Dripping Springs, continuing a full day of patriotic celebration, fellowship and community engagement.

"As we celebrate America's 250th birthday, we do so with deep gratitude for the courage, sacrifice and conviction of our forefathers," said Hays County GOP Chair Michael Salvo. "They laid the foundation for the freest and most prosperous nation in the history of the world. God has blessed America beyond measure, and on this milestone anniversary, we thank Him, praise Him and ask for His continued guidance as we move forward as one nation - still the last best hope for man and still the shining city on a hill."

The Hays County GOP thanks the volunteers, candidates, families and community members who helped make the day a success. As America marks 250 years, the party remains committed to honoring the nation's founding principles, defending liberty and building a stronger future for Hays County and the United States.
